MAKEUP ARTISTS?

then felt crap about your journey

HI I'M ASHLEIGH...

Hi, I'm Ashleigh! I've been a makeup artist for 7 years and I specialise in Bridal, I am professionally trained by Cassie Lomas leading MUA in the industry.

I was a tutor at Cassie Lomas Make Up Academy and have taught approx. 80+ students in 3 years!

I love being able to pass on my experiences, expertise & skills to other makeup artists acting as a support network to them! The reason I wanted to start to educate Makeup Artists is because I think we can learn so much from one another, and there is so much that isn't taught in lots of initial courses for makeup. Business is HUGE!

I have been a finalist in the Great Northern Wedding Awards 2024, my work has travelled through Europe in the National Hair Awards, been published on Erborian site, Schwarzkopf world wide social media, published in County Brides magazine and LWB magazine regularly. I have hosted training sessions for other businesses such as Jessica Gould Business Coach & LashLife by Lis teaching how I managed to get 100 clients through the door in just 6 months!

I love celebrating wins whether they are my own or someone else's and this is something I LOVE to instil into people I teach...plus isn't it fun when you can celebrate with a cocktail & have an excuse?!

I am also an absolute millennial and I prove it every time a camera is put in front of my face... I can assure you we are going to have lots of fun AND increase the knowledge

ARE YOU READY TO....

Conquer the fears of applying makeup

Feel confident in what looks you create

Feel confident that whatever your client asks you to create you can do it!

Elevate your looks to a whole new level of professional

Learn some new techniques

Grow your portfolio

IT'S TIME TO CHANGE YOUR FUTURE...

BUT RIGHT NOW YOU ARE...

FEELING FRUSTRATED THAT YOU HAVE QUALIFIED IN MAKEUP, INVESTED
MONEY IN YOUR DREAM CAREER BUT YOU ARE STILL FINDING THERE ARE
NIGGLY SECTIONS OF YOUR MAKEUP THAT AREN'T WHERE YOU WANT THEM TO
BE

STILL FEELING DEMOTIVATED IN YOUR LOOKS YOU CREATE

NOT WANTING TO SHARE YOUR WORK ON SOCIAL MEDIA BECAUSE YOU CAN
SEE ERRORS

FEELING LIKE YOUR WORK NEEDS TO BE ELEVATED TO A NEW LEVEL BECAUSE
YOU TRAINED A WHILE AGO

WANTING TO OVERCOME YOUR FEARS OF APPLYING CERTAIN AREAS OF
MAKEUP

CAN YOU RELATE?

The majority of the people I educate have been either self taught or have trained at another training academy. However, they left feeling very overwhelmed and that they didn't have enough time to practice. Since then, they have worked for themselves and haven't had time to overcome any fears they have with applying liquid liners, creating glowing skin without it looking oily and without really finding what their niche is in the skills section of makeup.

Ashleigh helped me graduate from training as a makeup artist and then helped me after as I trained as a professional makeup artist but I had no idea where to start when running a business.
